Tuesday, September 13 th	School Council Meeting 3.30pm

Acting Principal's Report

Sporting Opportunities-

Our students have thrived on the recent sporting opportunities. It has been great to see the development in both golfing and football opportunities. Some of our students were a little unwilling to get in and try these sports originally but after some coaxing achieved outstanding results and were complimented by their coaches. There will be some senior students given an opportunity to participate in an upcoming golf tournament in Ararat.

Thanks to the Community-

A big thank you to everyone who has got behind our Pie Drive and Used Battery Drive. Both fundraisers have been really well supported and will give great benefit to our little school.

Bus Trial-

This week we will be doing a morning and an afternoon bus run. It has been going well. I will pass a timetable to students on Thursday afternoon as a reminder.

Parent Opinion Survey-

It's important as a school that we keep striving to be better and find ways to improve. Please see attached Parent Opinion Survey information on this newsletter and your feedback will be much appreciated.

Thanks,
Louis Franc
Acting Principal
