Thanks to everyone for their patience and flexibility during Term 2 through this Covid 19 crisis. look forward to the weather improving in Term 3 and hopefully opening up the school for more socialisation with our up and coming students! Enjoy the holidays everyone and stay safe!

Acting Principal's Report

Last Wednesday was a hectic day at Amphitheatre Primary School. We were lucky enough to have our fortnightly MARC van visit. The boys have been learning about Australian history. Mrs Bawden runs a very engaging program that the students enjoy.

A real highlight Wednesday was having our Masterchef Luke present to use our garden produce to cook an amazing stir fry. We used snowpeas and bok choy in the cook up. All staff and students sat down and enjoyed this beautiful meal together.

Our students have also been busy on their bikes at school. They have been playing games on the bikes and completing some challenging tasks. As a part of this bike education the kids have been learning about important road safety rules.

We have still been connecting with other Pyrenees Cluster Primary Schools using technology such as Webex. In the photo you can see our students sharing songs with students from other schools.
