It will provide a fantastic opportunity for our students.

Thanks to the Amphitheatre School community for a strong attendance at our Annual General Meeting. Congratulations to Erica Holz for being elected School Council President and Jennine Logan as Vice President.

Acting Principal
Louis Franc

Acting Principal's Report

Week 2 has been quite busy at Amphitheatre Primary School.

It started off with a road trip to Landsborough for our STEAM day. Our students had the opportunity to complete both Art and Science activities. As you will see in the photos our students had a great day.

Every day this week we have joined Natte Yallock PS for our swimming program. We have been very lucky to have Louella McPhan upskilling our students in the water with the support of Delia. All students are learning valuable skills that will help them in the water.

We were excited by our first playgroup session last week. Our future students were engaged by completing jigsaw puzzles, playdough and also eating muffins. We are looking forward to this Friday for another session.

Next Tuesday our students are joining the Pyrenees Cluster for an amazing trip to Sovereign Hill. We would like to thank the Terry Floyd foundation for their support organising this event.

CFA – Bushfire season 2019/20

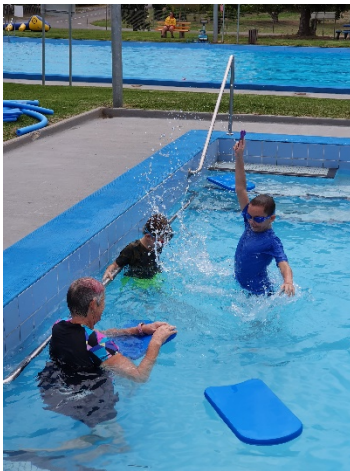

As we head into the summer months we need to be mindful of fire danger periods. The CFA website is cfa.vic.gov.au for details about your location.

To report a fire DIAL 000

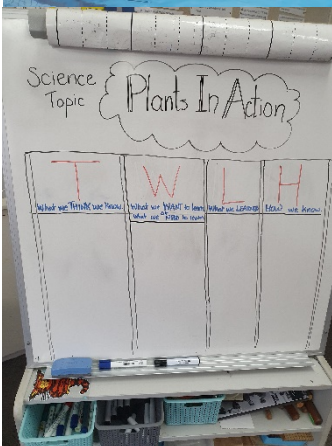

Delia and Louella teaching Natte Yallock and Amphitheatre students.

Great Place. Great School. Great Education.

Parents and Kids club in action every Friday.

Our Science focus at STEAM day Landsborough.

Xavier and Sylvan in action in Art.

Xavier reading during Parents and Kids club last Friday.
