Monday, February 24 <sup>th</sup>	STEAM (Landsborough)
Monday, March 2 <sup>nd</sup>	STEAM (Landsborough)

**Acting Principal's Report**

Our students on Tuesday were very lucky to participate in an excursion to Sovereign Hill. This fantastic experience was sponsored by the Terry Floyd Foundation and we thank them very much for this special day.

One of our activities was watching gold being manufactured where our students learnt many new facts. Our second session was an Education session where we were immersed in a school setting from the Goldrush era. The last activity scheduled was an underground mine tour where we found out about the biggest nuggets discovered in Australia.

Another highlight was watching Sovereign Hill's famous Raspberry Drops being made. Our students found this fascinating!

There was lots of learning taking place and hopefully more to come back in our own gold country in Amphitheatre.

I was very proud of the way our students conducted themselves on the excursion. Thanks

to Delia and Miss Maconachie for their organisational skills on the day.

This Friday we welcome the Pyrenees Advocate who are going to feature a story on our wonderful school during Parents and Kids Club time. We look forward to showcasing our Kitchen Garden program, ICT resources, small class sizes, Physical Education and our strong Numeracy and Literacy focus.

We are still keen to increase our student numbers heading towards 2021 and believe we have a lot to offer any future students.

If you know of any prospective students and families please put them in touch with me and we will organise a school tour.

Acting Principal  
Louis Franc
