We are still keen to increase our student numbers heading towards 2021 and believe we have a lot to offer any future students.

If you know of any prospective students and families please put them in touch with me and we will organise a school tour.

Acting Principal's Report

On Friday we had a very busy day with many people through our doors.

Our first visitor was the Pyrenees Advocate who are doing a feature story on our school this Friday. Stay tuned!

Next we had a professional photographer join us to take some photos in order to manufacture a banner to advertise our school.

As usual on Friday we had plenty of the young children and families join us for our Parents and Friends club. Our students enjoyed dancing, completing puzzles, drawing and cooperatively playing.

Later in the day we joined the Avoca Nursing Home and completed some fine motor skill with the residents. This was a very rewarding experience for both our students and the residents of the nursing home. You can see in the photos how much of a valuable day it was.
