Acting Principal's Report

Our schedule is starting to heat up in the lead up to Christmas. See above for key dates.....

It has been great to welcome William our Foundation student for 2021 recently at Transition mornings. He is an enthusiastic pupil and our students are really enjoying having another friend to play with.

We would like to thank our parent group for their support managing our chooks and lending some friendly advice! Your support is much appreciated.

We would also like to thank Vicki Richards for donating pumpkin seedlings and silver beet seedlings. The boys and staff were busy planting on Thursday as you can see in the photo.

Next Thursday and Friday we are very excited about our school camp.
