opportunities and resources our students have. I would also like to get Parents and Kids club back up and running. Stay tuned for some dates and times!

We have some excess food from the breakfast club that we can utilise on a Friday if students wish. On the menu will be;

- Baked beans on toast
- Vegemite toast
- Spaghetti on toast
- Chunky stock pot soup
- Muesli and milk
- Wheat biscuits with milk

I hope everyone stays happy and healthy for the remainder of Term 2!

Acting Principal's Report

What an extraordinary term we have had in Term 2. Well done to all families and staff who managed the remote learning during the Covid 19 lockdown period.

It's fantastic to be back at the school with our students and continuing some of the great learning we started earlier in the year. It is clear to see the students are enjoying being back at work and so are the staff. Even the chooks seem to be up and about with more company!

We have also had another addition to the team with a beautiful lamb from the Dridan's farm. Unfortunately this little lamb was left without a mother so we have adopted it at Amphitheatre PS. Our students are going to look after it and feed it.

We are hoping in Term 3 to be able to have an open day to showcase some of the wonderful
